Khazarian Mafia: The God Eaters Part 1

Thu 5:33 pm +01:00, 25 Jul 2024

posted by newensign

This video is indeed about the Khazarian Mafia, but more importantly offers the patterns by which they have fed on God by way of humanities ignorance.

As Nature creates we are an outpouring of God, and the only way we can escape the Black Sun, is to understand their modus operandi; this means changing our world view, so that true evil can be seen; for we all have been beguiled with assumptions which disguise the Demiurge.

The Khazarian Mafia has worked extremely hard to present a false reality based on inculcated lies, falsified histories, and projected blame. So the point of this lecture is to not only educate the listener to the bloodlines of the Khazarian Mafia, but more importantly, the psychology by which they have eviscerated us.

How to Watch

To watch please click on the video and purchase a ticket. Once you have made your purchase you will be sent an automatic email confirmation with your password details **Important:** Please check your spam folder after your purchase. If you don't receive your password within 10 mins please contact us. We also have a help page.

David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
